## Festival Winners

by Dave Christenson

The Annual Westport Windriders Kite Festival was held again this year at Grayland Beach, in Grayland WA. Although I didn't get to attend much of the festival there appeared to be a good turn out. **New Club T-Shirt Reminder:**

A few months ago the club voted to have a special club t-shirt made. They have been made and were distributed to those that ordered them. After the first order was seen there was additional interest in the shirt. If you are interested in the red club shirt please contact Char. She has to order at least 12 shirts to make an order so make sure you show your club colors and see her soon. You can contact her at: Charlotte Wolland, 253 847-8178 or see her at the monthly club meetings.

**Election of Officers**

This is to remind all members that at the October Club Meeting there will be an election of Officers for the coming new year. If you are interested in helping out the club please let one of the present officers know so your name can be added to the ballot in October.

**Bylaw Changes**

The following changes have been recommended and need to be voted on by the membership to keep our bylaws current and correct. Article III Membership, Section 4. Membership shall be terminated for non-payment of dues 30 days after written notice. (Needs to be removed) Article VII Dues, should be changed to read, Article VII Newsletter Fees and all references to dues should be changed to read Newsletter Fees. Also Addendum #1 needs to have the Club and Officers Mailing Address added to it, and remove Creda's old address from it to bring it more up to date.

Editor's note: If anyone has any other changes that need to be made in the future it must be published in the club newsletter before it can be voted on by the general membership.
